

THE DAILY CLARION

Wednesday, : : : December 19, 1866

LODGE PROCEEDINGS.—Our P. Porter, Esq., Grand Secretary of the Masonic Grand Lodge of this State, read us with a copy of the proceedings of the last session of that body, which, with the Uniform Constitution and the new laws, is now mailing to the several Lodges.

AROMATIC BITTERS.—A very superior tonic bearing this name, and its way to our sanctum yesterday, prepared only in this city, by Dr. J. C. Baley; and as an anti-dyspeptic, invigorating cordial, and as a remedy for indigestion, want of energy and general debility, is strongly recommended by such physicians as Boyd, Harland and Carter. Our own brief experience is that it is very palatable. We expect it another trial.

FOR THE DESTITUTE.—Our papers contain numerous notices of the relief of the destitute—inanimately by the ladies, of course. And Fairs are to be the order of the Christmas holidays in all our cities, and in many of our surrounding towns. What say the ladies of our city? Let us have a Concert, a Fair or other entertainment that will command the patronage of a generous community that will help the many poor in our midst. We call upon our Ladies' Aid Society in behalf of the destitute in our city, to be in motion.

DAMAGED CLOTHING.—See the advertisement of Messrs. Darcy & Wheeler, who are selling clothing at auction prices.

THE COMMERCIAL COLLEGE is one of the institutions of New Orleans. Young men desiring of acquiring a practical as well as theoretical knowledge of business will find superior facilities afforded by this institution. See advertisement.

MISS. S. G. NEWCOMER & Co., it is seen, are the agents, in this city, of the Mississippi Manufacturing Company, at New Orleans, and they already announce that they have on hand and are now receiving superior cotton yarns manufactured by that company. These goods are not only better, but can be sold cheaper than the imported article. Best argument for the importation of home-made goods, to secure patronage for home manufactures.

G. D. SIDWAY, Capitol street, is this morning some very desirable articles in the Saddle line. He has for sale a first rate top buggy, and a horse wagon. Sidway has a fine establishment. He manufactures quite extensively at home, and for this fact alone, he is, and is being patronized. He has the best stock, and his workmen are excellent.

The Richmond Enquirer protests against the declaration made by H. H. Pollard in the prospectus for his paper, that he will "accept the secession as a fact, and logically and naturally follow it, whether in war or peace, or in the field or the forum." "Legislation—always an enemy."

It is not merely reproducing the of an irresponsible conflict, but far beyond it. Assuming the position to be true, what possible future is there for the South? We are overwhelmed in the late conflict. When are we to try another? We can look forward to its cessation, then, of course, war at some distant day is inevitable. Thus we would be little use for any of us, now, or soon, or build save to make for another fight and still another. The South, abandoning her hope of order, restoration, and education, advancement in the material progress, is to surrender herself to gloomy passions, unquenchable hate and the counsels of despair.

New York Herald, very pertinently remarks, the Richmond Enquirer deliberately mistakes when it says the House of Representatives resolved to adhere to the pending Constitutional Amendment as the only way once proposed such a basis. It never once proposed such a basis. It has been a refusal to do

Seward, doesn't appear to be enough for the radicals. The "Complimentary" is from the Louis Democrat.

Seward has new carpets and is in the State department, for the people pay ten thousand dollars. If the Secretary could be persuaded with a few new ideas that the people could better afford to furnish him in his head than a great deal more than that carpet in his rooms.

The "Christmas Gift" distribution place in New Orleans, is an enterprise in which all should invest. It would aid wounded and disabled soldiers. Messrs. Eylich & Co., of this city, will give full particulars, and sell tickets.

DAMAGED CLOTHING.—Darcy & Wheeler, will sell a considerable portion of their stock left, saved from their late fire, at 100 cents. New Orleans, which they are selling at conflagration prices. Return to our old stand, 70 Canal street, for Darcy & Wheeler, 47 Magazine street, Third Story, over D. E. Morphy's Auction Store.

SPECIAL NOTICES.

A New and Grand Epoch in Medicine.

Mr. MAGGIEL is the founder of a new Medical System! The quantarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all-healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Magguel's Pills and Salve, have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Magguel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Magguel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Magguel's Salve. In fact, it is here announced that *Magguel's Bileous, Dyspeptic and Diarrhetic Pills* cure where all others fail. While for Burns, Scalds, Chills, blains, Cuts and all abrasions of the skin, *Magguel's Salve* is infallible. Sold by J. MAGGUEL, 11 Pine Street, New York, and all Druggists, at 25 cents per box.

MEMPHIS.

DR. SAMUEL GILBERT'S PREPARATIONS.

DR. SAMUEL GILBERT, so celebrated as having been for the last twenty-five years, in the treatment of

CHRONIC DISEASES.

the most lucrative Medical Practice in the South has at last consented to allow several of his most esteemed remedies to be prepared and sold as proprietary medicines. This resolution has been engendered by the repeated solicitations of those who have experienced the benefit of his remarkable professional skill, and by the impossibility of giving special attention to each of the written applications made to him for prescriptions by those whose pecuniary circumstances or business habits, preclude the possibility of applying in person to him.

THE PUBLIC

May rest assured that the manufacturers spare neither pains nor expense in the preparation of these remedies. They are made of the very best medicines known, in a highly concentrated form upon strictly scientific principles.

DR. SAMUEL GILBERT'S GENERAL ALTERNATIVE

Acts directly upon the Glands and Mucous Membranes—stimulating them to additional activity in their natural functions of eliminating from the Circulating Fluids the venal Effete and in diseases of the Morbid Matters, and expelling them through the Skin, Kidneys, Liver, and Alimentary Canal from the System. It is, therefore, adapted for the relief of chronic diseases affecting those organs, and of the mucous membranes lining them such as

ERUPTIONS, TETTER, ULCERS, SCROFULA JAUNDICE, GOITRE,

CHRONIC INFLAMMATION OF BLADDER AND UTERUS, ETC.

It is particularly useful in Suppressed Menstruation, Hereditary Taints, Syphilis, and maladies arising from long-continued use of Calomel, Rhus, Mass Corrosive Sublimate, Fowler's solution, Donovan's solution, and other preparations of mercury and arsenic.

DR. SAMUEL GILBERT'S TETER OINTMENT

Is a most excellent preparation for the cure of that class of maladies usually termed

DISEASES OF THE SKIN,

and which are popularly known as Chronic eruptions, Tetters, Pimples, Blisters, Scabs, Scald-Head, Milk-crust, Ring-worm, and other local vermin which prey upon the skin. It softens and detaches the excoriations upon the skin, and the skin itself, heals the cracks, blisters, and pimples, and renders the cutaneous surface smooth and pliable. It has been used by Dr. Gilbert with most satisfactory results, for many years. It is offered for sale, in this style, from the firm conviction that it must necessarily meet with the hearty approbation of those who make use of it.

Full directions for the method of using these remedies, a plain and accurate description of a number of the different varieties of skin diseases, and many valuable suggestions in regard to their cure, will be found printed on circular accompanying each box, which, it is hoped, will enable most unprofessional persons to treat their own Ulcers with greater success than is usually experienced from the attention of ordinary physicians. Manufactured only by GILBERT & HOBBS, Wholesale Druggists, No. 281 Main street, Memphis, Tenn.

Sold by Druggists generally throughout the Southern States. A liberal discount made to the trade. **BARNES, WARD & CO.,** Wholesale Agents, New Orleans.

DR. SAMUEL GILBERT'S HEALING OINTMENT

Possesses peculiar tonic and astringent qualities which cause it to be admirably adapted to the cure of

Various Kinds of Ulcers

Especially those which are of an indolent nature, and which are usually denominated "Old Sores." It is confidently believed to be much superior to any other preparation made for similar purposes.

Full directions for the method of applying it, a plain and accurate description of a number of the different varieties of Ulcers, and valuable directions in regard to their cure, will be found printed on the circular accompanying each box, which, it is hoped, will enable most unprofessional persons to treat their own Ulcers with greater success than is usually experienced from the attention of ordinary physicians. Manufactured only by GILBERT & HOBBS, Wholesale Druggists, No. 281 Main street, Memphis, Tenn.

Sold by Druggists generally throughout the Southern States. A liberal discount made to the trade. **BARNES, WARD & CO.,** Wholesale Agents, New Orleans.

SOMETHING NEW UNDER THE SUN.

A NEW ERA IN MEDICINE.

Let the Suffering and Diseased read the following.

Let all who have been given up by Doctors, and spoken of as incurable, read the following.

Let all who can believe facts, and can have faith in evidence, read the following.

KNOW ALL MEN BY THESE PRESENTS, That on this, the Twentieth day of June, in the year of our Lord, One Thousand Eight Hundred and Sixty-six, personally came Joseph Haydrick to me, known as such, and being duly sworn, depose and say, and that he is the sole general agent for the United States and dependencies thereof for preparations of medicines known as Dr. Magguel's Pills and Salve, and that the following certificates are verbatim copies to the best of his knowledge and belief.

JAMES SMETTER, Notary Public, Wall Street, New York.

JUNE 1, 1866.
DR. MAGGUEL:—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your medicine. Oh, Doctor, how thankful I am that I can get some sleep. I can never write it until I truly say you are a man of God, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss. **JAS. MYERS,** No. 24 Avenue D, New York.

This is to certify that I was discharged from the army with Chronic Diarrhea, and have been cured by Dr. Magguel's Pills.

WILSON HARVEY, New York, April 7, 1866. 27 Pitt Street.

The following is an interesting case of a man employed in an Iron Foundry, who, in pouring molten iron into a disk that was damp and wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was burnt dreadfully. The following certificate is given to me, by him, about eight weeks after the accident:

New York, Jan. 11, 1866.
My name is Jacob Hardy; I am an Iron Founder; I was badly burnt by hot iron in November last; my burns healed, but I had a burning sore on my leg, which would not heal; I tried Magguel's Salve, and it cured me in a few weeks. This is all true, and anybody can see meat Jackson's Iron Works, 24 Avenue D, J. HARDY, 119 Goerick Street.

Extracts from Various Letters.
"I had no appetite; Magguel's Pills gave me hearty one."
"Your Pills are marvellous."
"I send for another box, and keep them in the house."
"Dr. Magguel has cured my headache that was chronic."
"I gave half of one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."
"My husband of a morning is now cured."
"Your box of Magguel's Salve cured me of noises in the head. I rubbed some of your Salve behind my ears, and the noise left."
"Send me two boxes. I want one for a poor family."
"I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar."
"Let me have five boxes of your Pills."
"Let me have three boxes of your Pills by return mail."

I Have Over 300 Such Testimonials As this, but want of space compels me to conclude.

FOR CUTANEOUS DISEASES And all eruptions of the skin, the SALVE is most valuable. It does not heat externally, but penetrates with the most searching effects to the very root of the evil!

DR. MAGGUEL'S PILLS Invariably cure the following Diseases:

Asthma, Bowel Complaints, Coughs, Colds, Chest Diseases, Costiveness, Dyspepsia, Diarrhea, Dropsy, Debility, Fever and Ague, Female Complaints, Headache, Indigestion, Influenza, Liver Complaints, Lowness of Spirits, Ringworm, Rheumatism, Scalds, Skin Diseases, Salt Rheum, &c.

THE UNDERSIGNED WOULD INFORM the citizens of Nashville and vicinity that he has established an agency for the sale of the celebrated "STYREPSIL" ARTIFICIAL ARM, justly pronounced by the Medical Profession, and those who have tried it, superior to any similar invention in use. Its chief merits are simplicity, lightness and freedom of movement. The construction is such that it may be taken apart and repaired if necessary, (composed as it is of a number of pieces,) the weight being exactly 12 pounds, so that it may be raised with perfect ease, no matter how near to the body the arm may have been amputated, while it is so constructed as to obtain all the movements of the natural limb, and with a high degree of perfection. The hand and fingers are made to work as in nature, and thus the smallest article may be grasped. In short, it comes nearer filling the office of the natural limb than anything of the kind extant. I invite all who have had the misfortune to lose an arm to call and examine specimens.—Will be glad to receive orders from all portions of the South.
